

## PACKING MATERIAL FOR YOUR MOVE IN VIENNA

When moving, the right packaging is crucial for the safe transportation of your belongings. For delicate items such as porcelain, glass, and electronics, high-quality packing material is essential to ensure everything arrives safely from point A to point B. As moving professionals, we know exactly how different items need to be packed. We are happy to advise you in detail about the various packing options for your move to Vienna.

### HIGH-QUALITY MATERIAL FOR A SAFE MOVE

- **Carton rental:** We offer a wide range of high-quality packing cartons. Whether small, medium, or large, our boxes are perfect for books, kitchen utensils, clothes, and more. They are sturdy, stackable, and reusable.
- **High-quality packing materials:** In addition to boxes, we offer bubble wrap, packing paper, tape, and other materials. Our supplies provide excellent protection during the move, ensuring that your items arrive safe and secure.

## PACKING MATERIAL FOR EVERY TYPE OF BELONGING

Our range includes standard moving boxes, wardrobe boxes, book cartons, office cartons, and more. For delicate items, we provide tissue paper and bubble wrap. Our wardrobe boxes allow for hanging transport of your clothes.

### ADDITIONAL SERVICES FOR YOUR MOVE

- Our experienced movers professionally and securely disassemble and assemble your furniture, handling everything from simple shelves to complex office units.
- If you need temporary storage, we offer safe and clean storage solutions. Your furniture and personal belongings are well taken care of with us.
- We offer professional decluttering and disposal services, so you don't have to worry about excess items. Everything is disposed of in an environmentally friendly manner.
- We handle the application and reservation of no-parking zones to ensure a smooth move.
- Whether pianos, safes, or other particularly heavy and bulky items, we have the experience and equipment to transport them safely.

### INDIVIDUAL CONSULTATION

- Our team handles the packing and unpacking of your belongings. We use high-quality packing materials to ensure everything arrives undamaged.
- Upon request, we perform minor repairs such as painting and varnishing, so your new home or office is move-in ready right away.
- We offer comprehensive insurance for the move, covering both damage and loss of items, ensuring you're protected against all eventualities.
- We provide you with thorough advice from the initial planning to the final execution. Our goal is to make your move as stress-free as possible.
- We offer flexible scheduling, allowing us to carry out your move outside regular business hours to best suit your needs.

## INDIVIDUAL APPROACH

Every move is unique. Our competent staff will gladly advise you on the various packaging materials best suited for your move. You will receive valuable tips for packing your items correctly and safely.
